Action In Ely and Careau	<p>ACE (Action in Caerau & Ely) is a Charity located in Ely and Caerau, Cardiff. ACE aims to bring the community together, support community groups, manage and develop local projects, and find ways of regenerating the local community. ACE is about people working together to build community and to improve their own, and each other's, lives. ACE takes an holistic view in doing this; our services range from providing wellbeing support, training and employment services, financial advice, peer support groups for bereavement and parenting and the continuous adaption of provision to ensure we meet current community needs.</p>	<p>Improve accessibility to an out-door shelter in the garden area of The Dusty Forge.</p>	West	Mar-23
Age Concern Cheshire	<p>Age UK Cheshire (officially registered with the Charity Commission as Age Concern Cheshire) is an independent registered charity working with older people across East and West Cheshire. We aspire for older people to feel connected; be independent, active and experience good physical and mental health; be engaged in issues that affect them and their communities; and be well-informed and have opportunities to learn and be creative.</p>	<p>Installation of a new fire alarm system</p>	North	Mar-23
Age UK Faversham & Sittingbourne	<p>Age UK Faversham & Sittingbourne is a local & independent charity helping & supporting the over 50s and their families & carers in Faversham, Sittingbourne, Teynham and the surrounding areas. We provide a range of activities & services to help & support those live as independently as possible, include emotionally, financially, mentally, physically and with their wellbeing.</p> <p>Our objects are to help prevent & relieve poverty of over 50s and relieve sickness, disease or suffering in over 50s, assisting over 50s in need by reason of ill-health, disability, financial hardship, social exclusion or other disadvantage & limit loneliness & isolation.</p>	<p>Installation of a brand new 'Hearing Loop System' within their Day Center.</p>	South	Mar-23
Argyll & Bute Rape Crisis	<p>Established in 2006, Argyll and Bute Rape Crisis provides support services to all survivors of rape and sexual abuse in the area. All of our workers are trained extensively to support survivors, with survivors at the heart of what we do. As well as supporting survivors, we also support non-offending friends and family members, as we aware of the impact sexual trauma can have on those around the survivor.</p>	<p>New central heating system and flooring.</p>	North	Mar-23

Charity or Not For Profit Name	Charitable Purpose (Provided by the organisation)	Funded Project	Division	Payment Quarter
aScEND Hull	The aim of aScEND Hull is to provide social and craft sessions for children, young people, adults and families who are living with Special Educational Needs and Disabilities (SEND) in the Hull area. These sessions are very much needed as inclusion into mainstream activities is not always possible due to the nature of the individuals' disabilities and needs.	Replacing lighting, broken door, painting and adding more heaters.	East	Mar-23
Assist Trust	<p>For 32 years, the Assist Trust has supported adults with learning disabilities in Norfolk to become more confident, resilient and independent. We aim to empower people to make choices, expand connections within the community, and fulfil their potential.</p> <p>Many of our beneficiaries have communication difficulties, and some also have mental health concerns. All have a learning disability, and all are supported to grow in confidence and to gradually take on manageable amounts of responsibility, so that they can find employment, live as independently as possible, and both be aware of, and able to employ the fullness of their potential.</p>	Reconfiguring the walls and room layout to improve accessibility and plumbing updates.	East	Mar-23
Asylum Link Merseyside (ALM)	<p>ALM has two objectives: to aid asylum seekers and refugees in need or distress, and to educate the public on asylum issues. We offer holistic support, while treating people with equality and fairness.</p> <p>Our client group are people who have fled war, persecution, rape, torture, genocide, homophobia, or racism. Their journey here is traumatic, arriving isolated by a lack of knowledge, separated from family and friends. They are not permitted to work and receive £40/week, usually housed in areas already suffering from long-term deprivation. They face media/public resentment, in our government's "hostile environment." Once refused, they are often made homeless.</p>	New fire detection system.	North	Mar-23
Autism Anglia	<p>Autism Anglia is an independent charity that works to enhance the lives of autistic people. We provide education, care and support services to children and adults with autism, as well as information, training and advice to families and professionals.</p> <p>The Charity's services include:</p> <ul style="list-style-type: none"> • Doucecroft School • Adult Residential Houses • Supported Living & Outreach • Day Opportunities Centres • Advocacy & Welfare Rights Advice • Diagnostic Service • Conferences & Training <p>We aspire to promote a greater understanding and acceptance of autism through training, information and events aimed at professionals, businesses, and the public.</p>	Re-plastering and redecoration of two bedrooms belonging to the residents of the house.	East	Mar-23

Charity or Not For Profit Name	Charitable Purpose (Provided by the organisation)	Funded Project	Division	Payment Quarter
Autism Support Kilkeel	<p>We help children/young people living with autism spectrum disorder and their families. This involves assisting them to achieve their maximum potential for community involvement, social inclusion and the opportunity to access employment and other facilities enjoyed by non autistic members of the community.</p> <p>Our objectives are to provide a free, supportive information service, provide early intervention programs, work with professionals to improve services, facilities and conditions for autistic people, provide or assist in the provision of facilities for recreation with the object of improving their quality of life</p>	New kitchen with stainless steel worktops	North	Mar-23
Ayrshire Children Services CIC	KO-NEKT centres are flexible childcare centres supporting children 5-18yrs who have Additional support needs/autism /disabilities. Centres open 7days per week 52 weeks every year. Parents/carers access our support through an online app and take full control over the days and times of support they require. Our 1st aim is to offer tailored flexible support to enable children to be treated equally in a safe and secure environment which allows them to play, grow and connect, to become more confident, resilient and independent. Our 2nd aim is to provide opportunities for personal growth to reduce the need for social services intervention.	Installation of a multi accessible toilet.	North	Mar-23
Beauty For Ashes Refuges	We envision a world free from domestic abuse. But until then we want to ensure that all women fleeing domestic abuse, regardless of their immigration status are able to access refuge provision. Our mission is to transform the lives of the most marginalised people by providing temporary accommodation in the form of refuge provision for migrant women and children with insecure immigration status and no recourse to public funds who are fleeing domestic abuse.	Turn a toilet into a wetroom with a walk in shower.	North	Mar-23
Black Prince Trust	We are a charity that run a community sports hub in an area of high socio-economic deprivation in North Lambeth focussed on increased participation; increased equality, diversity and inclusion; improved health and wellbeing; and better education and training opportunities towards employment. We provide high quality sports facilities with community-focused programmes in line with these outcomes and we run a community fridge providing free food bags to the needy through a partnership with the Felix Project. Most of our programmes are free to users: we had 39,500 attendances on community programmes delivered free to the local community in 2022.	New flooring and rectify water damage.	South	Mar-23

Charity or Not For Profit Name	Charitable Purpose (Provided by the organisation)	Funded Project	Division	Payment Quarter
Brandon Centre for Counselling and Psychotherapy For Young People	<p>At Brandon Centre (BC), we create and deliver accessible, leading-edge, collaborative and holistic mental health and wellbeing services to vulnerable young people (YP). Brandon Centre has been delivering services in Camden and Islington for over 53 years. Our services include: Counselling and Psychotherapy, Wellbeing Coaching, Young People's Social Prescribing, Systemic Integrative Treatment (BC-SIT), Parent Programmes and Training and Consultancy.</p> <p>Our values - Inclusion, Respect and Compassion - are at the heart of our organisation and services. Our team consists of psychotherapists, psychologists and counsellors, with a range of specialisms and approaches who are experts in offering support to YP.</p>	Remove the current garden step access and replace it with a wheelchair ramp to promote easy access.	South	Mar-23
Bringing Hope to People with Cancer	<p>We are an independent charity set up in 2006 by a group of people who felt that more practical help should be available for patients and families affected by cancer in Northern Ireland.</p> <p>It was their mission to create a charity which put the patient in the driving seat so that they could express how they would be best supported. There is no exhaustive list of support, however, the below shows some elements of support given; Energy costs, Fitness Rehabilitation, Transportation support, Counselling, Benefit advice, Specialist Holistic Therapy, Clothing/Bedding, Specialist Equipment, Financial support, use of our respite home, Hopefield House.</p>	Kitchen refurbishment	North	Mar-23
Capability Scotland	<p>Capability Scotland is a non profit, charitable organisation which provides care, support and education to children and adults across Scotland with profound and complex support needs. Corseford School is one of Capability Scotland's two Grant-Aided Special Schools (GASS)- there are a total of 7 across Scotland. At our school, we provide exciting, challenging and meaningful learning opportunities, in line with each child and young person's Individualised Education Plan (IEP) to ensure that our learners are equipped with the tools and resources they need to maximise and fulfil their full potential.</p>	Transform a large storeroom into a relaxing break out space for their learners.	North	Mar-23
Carer Support South Lakes	<p>Carer Support South Lakes provides support to unpaid Carers in South Lakeland. It provides a programme of services that meet their needs along their caring journey including assessments, information, support and training.</p> <p>Carers receive one-to-one support from staff and link in with other Carers through group activities, support groups and our online platform, Carers Connect. They can also receive support/break from their caring role from our Volunteer Programme.</p> <p>Our services enable Carers to connect with others who understand the challenges that they face, develop ways to manage their day-to-day pressures and identify how to look after their own health/wellbeing.</p>	Refurbishment of new premises to make them fit for purpose.	North	Mar-23

Charity or Not For Profit Name	Charitable Purpose (Provided by the organisation)	Funded Project	Division	Payment Quarter
Centred Horseplay	<p>We work with CYP and at risk adults who are struggling with mental health challenges and not responding to conventional talk based therapies.</p> <p>We teach a behaviour change programme based on natural horsemanship principles, transferring successful behavioural training techniques for equines into the human world. What stands us apart from other equine interventions is that we have the research and evidence to show that the skills they learn do stick long term in everyday life:</p> <ul style="list-style-type: none"> - 70% reduced problem behaviours - 85% greater engagement with education, training and work - 80% improved relationships - 95% positive changes in identity 	Extend the horse arena to a standard 40x20 to help more people receive therapy.	West	Mar-23
Changing Lives Through Changing Minds	<p>We are a therapeutic service predominantly for children, young people and their families who have been affected by adversity and suffer poor mental health. We support children with complex disabilities and Children who have experienced trauma. Our Objectives to become a provider of choice, become an employer of choice for professionals (nurses and therapists) and deliver services in an effective and efficient way, providing value for money and excellent individual outcomes for our service users. We deliver responsive services our customers should not and will not wait for mental health support.</p>	New insulation and doors that are fit for purpose at the log cabins.	East	Mar-23
Clwyd Special Riding Centre	<p>The Centre provides a sanctuary of calm and happiness, offering life changing support to all ages through horse led activities. Equine interaction is proven to support physical and emotional well-being, not only improving physical strength and stability but allowing the participant to escape their differences, promoting communication, life skills and well-being.</p> <p>The Centre opened in 1982 and is an approved Riding for the Disabled and British Horse Society Centre. We have 19 horses and offer therapeutic riding, carriage driving, hippotherapy, mechanical horse sessions and holiday accommodation. We aim to welcome all to enjoy our stunning location in the welsh hills.</p>	Replacement windows	North	Mar-23
Community Housing and Therapy	<p>Poor mental health is a national crisis. Those with the severest of mental health difficulties experience an inability to function, a lack of independence and a loss of hope.</p> <p>We help individuals who experience the most debilitating mental health symptoms including: self-harming; suicidal behaviour and social isolation. Many beneficiaries have spent years in psychiatric hospitals.</p> <p>Our objectives are to provide housing, support, and therapeutic services for those experiencing severe and long-term mental health difficulties, focusing on the development of the skills and confidence needed for independent living and long-term recovery, ensuring individuals with complex mental health needs can achieve independence.</p>	Kitchen refurbishment	South	Mar-23

East and North Hertfordshire Hospitals' Charity	The ENHH charity raises funds for services, equipment, projects and capital builds which are outside of statutory funding. We support the 4 hospitals in the East and North Herts NHS Trust: Lister, Mount Vernon Cancer Centre, New QEII and Hertford County with a catchment area of 550,000 people. The charity has 25 years' experience of fundraising for major projects across the health spectrum. We work closely with our donors to support impactful projects and transformational services ranging in cost from £100 to £400,000, many can be seen on our website.	Refurbish 4 'rooming in ' rooms at the neonatal unit.	South	Mar-23
EC Roberts Centre (Known as The Roberts Centre)	The Roberts Centre began over 35 years ago because a small group of caring people in Portsmouth recognised the needs of the large number of homeless families in Portsmouth. We provide services with targeted interventions for families tackling complex issues which include debt, homelessness, parenting difficulties, co-parenting, managing money, lifestyle changes, mental health and learning difficulties, low educational attainment continues. In 2021/22 we worked with over 1000 families with over 2,600 children. Portsmouth Deprivation that families face are: Scores can also be compared to all 326 district councils in England. Portsmouth is ranked 59th, falling from 63rd in 2015.	Installation of new radiators	West	Mar-23
Ekhaya Empowerment C.I.C	Ekhaya Empowerment C.I.C aims to alleviate poverty amongst women and children from minoritised communities through Education, Empowerment and Integration. We want to enable women to thrive in life and this can't be done in isolation. We know from experience that education, employability and quality of life can all be affected by one's identity as an under represented individual. Especially as women of non-White origin the odds are especially stacked against us and so we are here to redress the imbalances that exist.	New boiler and updated kitchen	North	Mar-23
Emmaus Oxford	The charity's objects are the alleviation of poverty and hardship, and distress arising therefrom, for those in need, without distinction. Emmaus Oxford offers holistic support to homeless people. Helping this vulnerable group over the medium to long term is our core work. We offer a unique space for people who have been homeless and are seeking a stable base from which to rebuild their lives. We do not set a time limit on how long people can stay with us, instead we work with each person to move forward with their lives at a sustainable pace.	Upgrade rooms to have an ensuite bathroom	West	Mar-23
Family Unit Trust	We are set up to strengthen individuals and families in Manchester affected by cancer. We help to promote, protect, enhance health and welfare through the provision of information and practical support in our community. We support marginalised group in the community i.e., individuals and families living with the dual challenge of poverty, low income, and cancer in Manchester. We challenge disadvantage and tackle inequality, help our diverse families with daily barriers they face.	General painting and decorating	North	Mar-23

Charity or Not For Profit Name	Charitable Purpose (Provided by the organisation)	Funded Project	Division	Payment Quarter
FarmAbility	We provide engaging, meaningful and purposeful day service activities to adults with moderate to severe learning disabilities and autism in Oxfordshire. We do this by running programmes on host farms and green spaces across the county where our participants (co-farmers) can get involved in practical and creative tasks in the outdoors. This includes woodwork, horticulture, animal care and craft activities. Our objectives are to enable people to show their capabilities instead of focusing on their disabilities, and to give value to the contribution that people with learning disabilities and autism can make to farming in particular and society in general.	New kitchen and insulation	West	Mar-23
Fighting All Cancers Together	Fighting All Cancers Together-FACT is a local charity based in the North East providing a seamless wraparound of support mentally and physically from start to finish outside of the hospital environment, offering help and support to anyone affected by cancer, not only the person with the cancer diagnosis, but their family/friends/carers and colleagues. We build partnerships with health professionals, statutory bodies, support services as well as voluntary organisations whilst sustaining the community within. FACT offer an array of services from counselling to wig fitting/family and group sessions, delivering education and awareness sessions/events to schools/colleges/community groups and places of work.	New kitchen and updating bathrooms	East	Mar-23
Filwood Hope Ltd	Filwood Hope Ltd runs the Filwood Hope Advice Centre in Filwood ward, South Bristol. The charity's objects are specifically restricted to the following: (1) the prevention or relief of emotional, spiritual or financial hardship in Filwood ward and surrounding area by providing access to advice and services which might not otherwise be accessed through lack of means. (2) to promote social inclusion for the public benefit through developing the capacity and skills of individuals in Filwood ward and surrounding area to enable people to identify and help meet their own needs and to participate more fully in society.	New boiler.	West	Mar-23
Five Acres Community Garden	We support young adults with needs from the ages of 16 to 30 plus in all elements of building resilience through social skills, living skills and employability skills. our objectives are to build the new site hopefully your funding will help to modernise the barn building to make it more accessible and also make a cafe, sensory room and a learning space for the young adults as part of our new horticultural and agricultural project, they will learn DIY skills and be part of the process.	General painting, new fixings and decoration.	East	Mar-23

Charity or Not For Profit Name	Charitable Purpose (Provided by the organisation)	Funded Project	Division	Payment Quarter
Foundation for Conductive Education	We work with 225 families annually. For children we run a range of full and part time services including free sessions for 0-5 years and our Red Boots School which is a registered independent special school rated "Outstanding" by Ofsted. Our adult rehabilitation programmes support people with neurological problems such as Parkinson's, Multiple Sclerosis or those recovering from a stroke, providing long-term services for these long-term conditions. All of our activities focus around the delivery of a specialised system of rehabilitation called Conductive Education (CE) which significantly improves the quality of life for those with neurological movement disorders.	New heating	North	Mar-23
Fresh Start new beginnings	We provide a therapeutic service to children and young people who have been sexually abused. We work with children and young people across Suffolk and Norfolk, from as young as three, up to 18 years old. Children often enter our service full of shame and guilt. Our aim is to help them make sense of the confusion they feel and teach them coping strategies to enable them to recover from the trauma they are dealing with. We also provide support to the wider family, including parents and siblings.	Painting, new carpets and refurbishment	East	Mar-23
Friends of Herons Dale Primary School	The Friends of Herons Dale is a charitable group whose aim is to advance the education and enhance the lives of the children who attend Herons Dale Primary School, a community generic special school maintained by West Sussex County Council, providing special education for students with a range of learning difficulties and disabilities. We do this by raising funds to provide resources, facilities and equipment. The school caters for boys and girls aged 4 – 11 years and currently have 135 pupils on roll.	New Lighting for the hydrotherapy pool.	South	Mar-23
Gasped	Gasped is a charity that helps vulnerable people in the Wakefield area with mental health and social problems, including counselling, one to one sessions, coffee mornings, art groups, community groups and men's mental health discussion groups. We run many projects in the district, especially for the more deprived areas of the city, as well as lending our rooms to other organizations such as Cocaine Anonymous for their weekly meetings.	General refurbishment	East	Mar-23
Happy hooves EAL CIC	We are a community project run by volunteers that provides therapeutic, confidence building and fun interactions with our animals including heavy horses, goats, donkeys, owls and our small animals. We work with a wide range of children and adults particularly those with autism, SEN, physical disabilities and mental health issues. We also provide skills and work experience for young adults who would struggle in a mainstream environment.	Improve wheelchair accessibility	East	Mar-23

Charity or Not For Profit Name	Charitable Purpose (Provided by the organisation)	Funded Project	Division	Payment Quarter
Headway Devon	Headway Devon are the local acquired brain injury specialists and we have been providing services for people with brain injuries for 20 years. We support people with brain injuries to come to terms with what has happened and overcome their disabilities, as well as providing support and advice to their families and carers and training and information for local professionals.	New wood panelling, carpet and floor repairs.	West	Mar-23
Headway East Northants	Our charity supports adults with acquired brain injury, incurred via stroke, assault, illness, accident and more, across a wide age range from teens to 70's. Our activity centre provides a huge range of varied, engaging activities specifically designed to boost cognitive rehabilitation, relearn lost skills, support independence, address emotional and social needs and provide respite for families and carers. We understand the complexities of 'hidden disabilities' and avoid defining a person by their injury. Our services support, enhance and empower our brain-injured clients lives to the very best level they can be.	Replacement external door and repair to a water-damaged suspended ceiling.	South	Mar-23
Heart of Birmingham Vocational College	At Heart of Birmingham Vocational College we offer personalised learning programmes for learners aged 16–25 who have moderate to severe learning difficulties and/or autism. At HBVC learners are encouraged to reach a level of independence that is right for them and the direction they want your life to take. At HBVC learners will learn within the college, and at local community facilities and through trips out into the wider community. Learners will gain experience and learn new skills to prepare for employment and to help them to become more independent in everyday life.	Improving wheelchair accessibility, new handrails and access ramp.	North	Mar-23
HF Mencap	We work with children, adults with learning disabilities and autism and their families to ensure people with disabilities are: Accepted and included in the community Have their views and needs listened to by decision makers. Supported to live as independently as possible, through the freedom of choice and control. Supported to campaign and stand up for their rights. Provided with the opportunities to continue to learn, develop and live their lives to the full. Have their dreams met e.g. Make friends, form relationships, get a job, live in their own home.	Adapting a disabled toilet into a larger changing places toilet.	South	Mar-23

Charity or Not For Profit Name	Charitable Purpose (Provided by the organisation)	Funded Project	Division	Payment Quarter
Houghton le Spring and District Centre for the Blind	The Centre was opened in 1989 in order to provide support, services, advice, training and information for visually impaired people living within Houghton le Spring and surrounding areas. It does this by providing educational and recreational facilities to improve the lives of VI people including social activities such as a weekly luncheon club, day trips, indoor bowls, card and domino games, training in IT using assistive technology and daily living skills for people with sight loss. It attracts support from both Sunderland and County Durham.	New kitchen including an adjustable height work tops and a sink with mixer taps.	East	Mar-23
Hull & East Yorkshire Centre for the Deaf	We are a community centre for the Deaf community and their families, created over 100 years ago, solely for the purpose of assisting, empowering and providing inclusivity to the Deaf Community of Hull and East Yorkshire. Our safe, inclusive centre has over 120 deaf members, our community benefits from assistance with welfare, visits from the Sensory team for those facing sensory loss, and Royal Association of the Deaf, who provide regular hearing aid services. We also assist with communication and interpreters and provide access to many facilities that would otherwise be restricted from the Deaf community, e.g., welfare, GP's, Solicitors	Replacement fire alarm system	East	Mar-23
Independent Domestic Abuse Services	IDAS is the largest specialist charity in Yorkshire, supporting anyone who has been subjected to domestic abuse or sexual violence across North Yorkshire, York, Barnsley and Sheffield. Our services include a free, confidential helpline, one-to-one and group support in the community, and a range of emergency refuge and dispersed accommodation, During 2021 we answered 22,000 helpline calls, received more than 17,000 referrals, supported 10,000 victims and survivors in our local community, and provided emergency refuge accommodation with intensive support to more than 250 families. We believe that everyone has the right to a life that is free from abuse.	General painting and decorating	East	Mar-23
Kids 'n Action	Kids N' Action was set up in 2003, in response to a desperate need in the local community, to provide out of school activities for disadvantaged and disabled children. We now provide essential support to over 650 disadvantaged young people, including those with learning disabilities, behavioural issues, learning and social difficulties, and those excluded from mainstream activities due to financial considerations. We work to integrate these disabled and SEND young people with mainstream young people to provide stimulating, skill building, and life changing activities with our after school clubs all year round and holiday play schemes in all school holidays.	General painting and decorating and sensory specific flooring and lighting.	South	Mar-23

Charity or Not For Profit Name	Charitable Purpose (Provided by the organisation)	Funded Project	Division	Payment Quarter
Kingfishers Treasure Seekers LTD	Treasure Seekers support vulnerable people to become the best version of themselves. This application focuses on two departments: The Disco and Lighthouse. The Lighthouse is a day centre which helps adults with learning disabilities to discover and achieve their dreams, while having fun and engaging with their community. We enable each member to embrace and develop their own natural abilities, building their confidence and providing them with suitable external opportunities throughout Gloucestershire The Disco is a twice weekly evening event for adults with learning disabilities, providing a welcoming space for participants to connect with friends and make new ones. Motor Neurone Disease Association	<p>Motor neurone disease (MND) is a fatal, rapidly progressing disease that attacks the nerves that control movement, leaving people locked in a failing body, unable to move, talk and eventually breathe. There is no cure.</p> <p>We are the only national organisation supporting people affected by MND in England, Wales and Northern Ireland. We improve care and support for people with MND, their carers and families, fund and promote research that leads to new understanding and treatments and brings us closer to a cure, and campaign and raise awareness.</p> <p>People with MND are at the heart of everything we do.</p>	Housing adaptations	South	Mar-23
MyVision Oxfordshire	<p>MyVision Oxfordshire exists to support the 23,000 visually impaired people - in Oxfordshire - to live full and active lives. A diagnosis of sight loss can be devastating, but with the right support, advice, and guidance you can live an independent life and play an active part in your community.</p> <p>Our services include: Information and advice, peer-to-peer support groups, technology training, befriending, counselling and children's activities.</p> <p>"The advice they have given me over the years has been life changing for me and my family."</p>	Improving the outdoor space to enable better access	West	Mar-23
New Beginnings North CIC	<p>We support young neurodivergent people from disadvantaged communities, so they have access to an innovative training and rehabilitation programme that raises their aspirations and life chances. We promote social inclusion by removing inequalities for individuals who do not have the same life chances as their more privileged peers.</p> <p>We develop a more skilled and suitably qualified workforce who progressively gain confidence and self-esteem alongside leadership and enterprise skills. Our young people have opportunities to mentor their peers and disseminate learning to the wider community through the organisation of community events, presentations in schools, and media articles etc.</p>	Installation of an outdoor facility for training purposes	East	Mar-23
Newham Community Renewal Programme	<p>The Renewal Programme is a multi-service charity, founded over 50 years ago to help Newham's most vulnerable residents. We provide housing, food, advocacy, youth services, education and immigration advice, to empower service-users to thrive independently. Although our work is open to all, our core emphasis is on those who fall through the gaps of statutory and societal support, facing multiple disadvantages. In the wake of the cost of living crisis, we have adapted our approach in line with the needs of our communities, working with the residents to tackle the underlying issues of poverty, injustice and disadvantage in Newham</p>	Replacement lighting	South	Mar-23

Nora parsons centre	Nora Parsons Centre provides respite to families and friends by looking after adults on Mondays between 9:30 – 3pm. Coffee, tea, biscuits plus a hot meal are provided for £10 per day. This service is provided for 21 local villages. Nora Parsons Centre is based in Wichenford and is totally operated by volunteers, providing safe and comfortable environment (for the moment) one day per week for isolated and lonely persons living in surrounding villages. Most important however is the opportunity to socially interact with others, including the volunteer drivers and helpers. They have a two course lunch and refreshments are available throughout the day.	New boiler	West	Mar-23
Nottingham Arimathea Trust	Nottingham Arimathea Trust, set up in 2006, provides supported housing for destitute asylum seekers and newly recognised refugees. Our aim is to encourage and empower people to go out into the world equipped with the necessary tools for integration. We house 79 people in 19 properties in Nottingham and recently merged with another local charity, HOST Nottingham to make both our organizations more sustainable, reduce core costs, and be able to offer our clients a better service. In January alone, we provided 1482 nights accommodation (including 118 nights of hosting) for people who would otherwise have been street homeless.	New energy lighting and improved insulation	East	Mar-23
Our Father's Heart	Chocolate & Co is breaking down and overcoming the barriers to employment, for those marginalised and living on the fringes of our community due to struggling with an addiction, and/or having a criminal record. We believe that at the core of transformational change, is having a sense of purpose, connectedness and belonging, which is the purpose of our paid employment project. Our nurturing, person centred model of employment, recognises the multiple and complex needs our beneficiaries need support with, as we work with them helping them grow in confidence, until they feel ready and we support them into further employment.	New energy efficient lighting and heating	East	Mar-23
Parkside (Aldershot & District Learning Disability)	Parkside delivers support services for some 160 children and adults with learning disabilities living in the local area. It was founded in 1963 and is well established in providing specialised support. Parkside's aim is to give both children and adults the opportunity to develop their individual skills and take part in activities within the local community. Needs vary from support to socialise with friends, participating in leisure activities, life skills, and providing respite for family members. By reaching out to the community, developing and creating opportunities with local people and organisations, everyone can be involved and included. Promoting Autonomy and Change Ltd (PAC Ltd or PAC Therapy)	To provide counselling and therapy services to children and young people (CYP) age 7-19 (up to 25 if leaving care or has a learning disability) in Cumbria who need support for emotional, inter-personal or mental health problems. To deliver these services using a range of therapeutic techniques including, counselling, art therapy, music therapy, equine therapy and group therapy. To work with CYP facing circumstances/problems that are so complex and multiple that they prevent them from accessing mainstream support. To deliver preventative work addressing problems before they escalate, helping them re-engage into education or employment and live more positive lives.	General decoration and refurbishment	North	Mar-23
Revitalise	Revitalise is a national charity with nearly 60 years' experience of providing fully accessible, fun filled holidays for disabled adults and their carers. Revitalise's mission is simple. To ensure every disabled person and carer can take the break or holiday they choose. We currently welcome disabled people and carers to holiday at two CQC registered hotels; Jubilee Lodge in Chigwell, Essex and Sandpipers in Southport, Merseyside. Our services are supported by an army of volunteers who give over 3,000 weeks of their time and friendship each year to our guests.	Modernisation of our conservatory within the grounds of Jubilee Lodge.	South	Mar-23
Rockits Sensory CIC	I have a sensory room in Tenterden (Kent) and run sensory stay and play sessions for 0-4 years and children with additional needs. I also have free support hubs for new parents, mums to be and SEN families. I plan to improve the safety of the room by adding soft walls and better soft flooring, this is especially important for the babies and the children with additional needs. Our charges are very low (some free) and we require funding as all profits are reinvested into the business each month. Thank you so much!	New flooring and walls in the sensory room	South	Mar-23
Royal Star & Garter	We provide loving, compassionate care to veterans and their partners living with disability or dementia at our Homes in Solihull, Surbiton and High Wycombe. We help those who have had the courage to serve our country to live happy, fulfilled lives. Our current residents are mostly older people, the average age is 90 although it ranges from 35 to 104. All require round the clock care. On top of our basic nursing or dementia care we also offer specialist therapies and activities to support all aspects of mental and physical health, keeping residents independent for as long as possible.	Replace the lighting to more suitable, modern and environmentally friendly LED uplighters or similar and downlighters.	South	Mar-23
Scotland Yard Adventure Centre (known as The Yard)	The Yard brings joy and adventure into the lives of over 2,000 disabled children and young people aged 0-25 and their families each year. Our flagship adventure playground in Edinburgh offers a range of activities for the whole family including: drop-in play sessions, family support, youth clubs, early years sessions, schools sessions and respite opportunities. Our objectives are:

Social Organisation for Unity and Leisure	Social Organisation for Unity and Leisure was set up in 2003 to cater for the needs of the local youth in Tower Hamlets. Set up by young people who have lived and grew up across London Borough of Tower Hamlets, with a vision to guide future generations. At SOUL, our vision is to develop young people, guiding them through their youth and supporting them to fulfil their potential. Young people growing up in this locality have various challenges. There has been years of under achievement in education, followed by high rates of unemployment and high rates of families in poverty.	Improving disability access, by adding ramps, handles and bars to the toilet and also having a lower sink.	South	Mar-23
Somewhere to Go Limited	Somewhere To Go was set up in 2000 to provide, literally, 'somewhere to go' for homeless, vulnerable, and disadvantaged people. We provide a warm, safe refuge; hot food, showers, clean clothing and a listening ear. Our centre is trusted as a welcoming, non-judgmental, place to go for help and support over the years we have developed into a valued hub providing many services operating 365 days per year.	Non-slip paint to fire exit stairs	West	Mar-23
South Shields Surf CIC & Beach Access North East	We are 2 organisations sharing a community space. We are both dedicated to making the benefits of being on the beach and in the ocean as accessible as possible. Beach Access North East provides beach access wheelchairs for free to anyone who needs them because so that they can access the beach. South Shields Surf CIC provides accessible therapeutic ocean activities (surf & paddle board) for people with disabilities and additional needs plus free sessions to young people from disadvantaged backgrounds, also community clubs, subsidised sessions for schools and community groups.	Replacement doors	East	Mar-23
Special Needs And Parents Ltd	SNAP supports Essex families who have children, 0-25, with any additional need/disability. We inform, encourage and support parents so they can grow in strength and knowledge and become better equipped to give the best help to their children. The overriding principle of our work is to empower the whole family. Over the past 28 years, we have gained an in-depth understanding of the everyday demands of supporting a child with an additional need or disability on the whole family. As a result, our extensive experience ensures that families receive holistic support that helps them to lead a more fulfilling life.	New lift	South	Mar-23
St Augustine's Centre Halifax	From our centre in Halifax, we provide practical support, empowerment and solidarity to over 1000 vulnerable people, from 76 countries, who are fleeing trauma and persecution and seeking sanctuary in Calderdale, West Yorkshire. Our centre members generally live in poor quality Home Office accommodation - with limited access to green spaces and few opportunities to play or socialise. In this environment, our centre is a lifeline – providing an incredible range of services including free hot food, language classes, immigration advice, an IT repair and redistribution scheme, a free shop, hair-salon, volunteering and, importantly, a warm welcome to our community.	Insulation, solar panels and LED lighting.	East	Mar-23

Stick 'n' Step	We support children and young people with cerebral palsy (neurological condition, primarily affecting muscle control, coordination & reflexes, often leading to complex development issues) up to age 25 through the provision of free, weekly Conductive Education (CE) sessions. We incorporate play, mobility tasks and songs to develop functional skills creating a positive environment to learn whilst having fun. Our objectives are to enable each child to maximise their confidence, mobility and independence. Everything we do is about making sure that we can continue to provide a high-quality educational service and grow to serve more people who need our help.	Replacement fire doors	North	Mar-23
Sunlight Development Trust	We manage the Sunlight Centre, a large community hub for Gillingham. Our core aims are to tackle social isolation and health inequality. The Centre provides the local population with a safe and warm place to come together at little or no cost to themselves. There is a community café, a rehearsal studio, a large hall, and our own radio station. We run many support groups for vulnerable people including those living with dementia, victims of domestic abuse and people with physical or mental health challenges. There are multi-cultural groups that meet and a 50+ Friendship Group.	Lift maintenance and repair	South	Mar-23
The Ark Trust CIO	The Ark is committed to improve the quality of life and provide opportunities for people with disabilities, the disadvantaged and those that support them (unpaid carers) by encouraging their active participation in their community. We do this by supporting people with information, advice and advocacy. Provide activities in a relaxed atmosphere to stop people being lonely and encourage people to improve their health and well-being. We Support people to do things in the wider community and support social and financial independence through education, employment and training. We also provide practical help and support to vulnerable people.	Install an air source heat pump	West	Mar-23
The Avenues Trust Group	Avenues is a specialist provider of support services for people with autism and learning disabilities. We support over 600 people in Supported Living, Community and Residential Care settings across the South East and West Midlands. Our vision is that everyone should have the opportunity to be an active citizen and engaged in the community where they live. All our support packages are unique to the distinct needs, ambitions, and likes of each person. We focus on increasing independence, individuality, engagement and quality of life. Our objective is to challenge and overcome the disadvantage people face through illness, injury and disability.	Upgrading the property's kitchen.	South	Mar-23

Welsh Air Ambulance Charitable Trust	The Wales Air Ambulance Charity mission is to deliver lifesaving, advanced medical care to people across Wales, whenever and wherever they need it. We are on standby 24/7, 365 days a year. We have 4 bases throughout Wales in Cardiff, Llanelli, Caernarfon and Welshpool. Our vision is to improve the lives of patients and their families by being a world leader in advanced, time critical care. We need to raise £8m annually to keep our 4 helicopters flying and our rapid response vehicles on the road.	Lagging and insulation to stop the water pipe supply from freezing.	North	Mar-23
Wessex Cancer Trust	Our four Cancer Support Centres, provide a friendly, confidential space, where local people can walk in, or be referred by their GP or other healthcare professional. Qualified counsellors focus on individual needs to help achieve the best outcome for clients, regardless of the prognosis. Complementary therapists provide treatments to help reduce stress. Exercise is an important part of care, and we run tai chi and other activities. A variety of support groups are on offer. Wessex Cancer Trust also provides outreach in local hospitals, our Sing for Life choirs, and transport to enable islanders to reach their mainland hospital appointments.	General painting and decorating	West	Mar-23
West Cornwall Women's Aid	West Cornwall Women's Aid supports women who have experienced domestic abuse. The impact of domestic abuse on survivors and their children can be mental, emotional, physical, social and financial. Our services address these issues and include: a refuge providing safe accommodation for women who have fled domestic abuse, sexual violence and exploitation; a helpline for advice and support; counselling; therapeutic groups; wellbeing activities; and resettlement support for women after they leave refuge. We work to shelter, empower and restore the lives of around 400 women each year.	Refurbish 12 fire doors to ensure they adhere to the latest fire regulations and to replace two old fire exit doors that are no longer fit for purpose.	West	Mar-23
West Lothian Riding for the Disabled	We provide therapeutic riding sessions for people (predominantly children) with physical and/or learning difficulties. Physical benefits include improvements in muscle strength, flexibility, balance and motor skills. Children with behavioural issues generally find the sessions calming and relaxing. Interaction with the coaches and volunteers improves confidence and builds relationships. Non-verbal participants' interaction with the ponies brings them obvious pleasure. Children who are unable to ride can help groom the ponies and give them hugs. Parents can relax and socialise, knowing that the children are well looked after. The group is run by volunteers, including a small trustee board.	Updating and repairing the outdoor arena	North	Mar-23

Wigan & Leigh Hospice	Wigan & Leigh Hospice provides care and support for people who have been diagnosed with a life limiting illness. The principle objectives of the charity are to promote the relief of suffering in terminal illness by providing direct patient care in in-patient and community settings. In addition we provide indirect patient care through the provision of advice, training and support to health and social care professionals. Our vision is that every adult with palliative and end of life needs in the Wigan borough, and those closest to them, will receive timely and equitable access to high quality services.	Replacement lighting	North	Mar-23
Wiltshire Blind Association (Trading as Wiltshire Sigh)	Wiltshire Sight improves the quality of life for blind and partially sighted people in Wiltshire. We are the only charity providing this face-to-face support. We provide practical support to people adjusting to living with sight loss equipping them with the tools they need to continue to live independently to their full potential whilst making the most of any remaining sight. Alongside this we provide emotional support helping people adjust confidently to their sight loss, creating peer and social networks to reduce isolation. 4000 people in Wiltshire are registered sight impaired, with 300 people every year newly diagnosed with sight loss.	New boiler	West	Mar-23
Womankind (known as Womankind Bristol Women's Therapy Centre)	Womankind helps women to improve their mental health and well-being, enabling them to fulfil their potential and have a better quality of life. We aim to reach isolated vulnerable and disadvantaged women with little or no access to community mental health support. Our telephone and webchat helpline handles over 6,000 calls a year; over 40% of the callers have suffered sexual abuse/assault, rape, or domestic abuse. Our face-to-face services include specialist counselling (for young women; refugees, asylum seekers and trafficked women (with interpreters); Deaf/hard of hearing women; survivors of sexual violence), group therapy, and a peer support befriending service.	Create two new additional counselling rooms – i.e. partitioning, sound proofing and installation of an additional radiator and smoke alarm.	West	Mar-23
Yad Voezer Ltd	Yad Voezer Limited is a Registered Charity that manages 2 residential homes and 2 Supported living facility for learning disabled adults, people with Down syndrome, severe Cognitive Development Delay, and Autism and some with mental health difficulties. Our vision is that every adult should be able to experience life to its fullest and be given the opportunity to maximise their abilities. We aim to promote the care, wellbeing and assistance of people with mental and physical disabilities, so that they may enjoy a good quality of life in dignity with the aim of reaching their full potential. Dandelion Time	Based in Kent, Dandelion Time provides nature-based therapeutic programmes for children with serious emotional and behavioural difficulties and their families. Those supported are affected by highly challenging circumstances, typically involving trauma, abuse, domestic violence, or neglect. Many are struggling or have fallen out of education or are in foster care placements at risk of breaking down. Our objectives are to help children to overcome trauma and associated emotional issues, develop in confidence and self-esteem, have stronger relationships with those who care for them, and be better equipped to engage well with school, at home and in the community.	Replacement of the wooden front door to the Cottage	South	Jul-23
Dementia-friendly Hampshire	Dementia-friendly Hampshire works to make Hampshire a place where people affected by dementia, their carers and families can live as well as possible despite the diagnosis, by providing free social and recreational facilities to improve physical and mental well-being, information, support for carers and to aid community inclusion. A fifth of Hampshire's population is over 65, with diagnosed dementia cases in Hampshire of 21,000, predicted to increase 54% to 33,000 by 2030. New GP data shows younger onset dementia diagnosis up by 253% since 2014. There are no Government run activities so demand for our services is continually increasing.	Decoration, and refurbishment, especially of the Ladies toilets, comprising 3 new toilets, 3 new sinks with storage underneath, cubicle panels and special safety door locks.	West	Jul-23
Derian House Children's Hospice	Hospice Care for children with disabilities, offer respite care, sibling support, bereavement counselling	Bathroom Renovations	North	Jul-23
Devizes Opendoors	Devizes Opendoors supports homeless and vulnerable adults. In March 2023 79 individuals attended sessions, 32 had been either sleeping rough, in hostels, sofa surfing or in vehicles. We aim to support guests on two levels. The first is to help meet basic needs, ie cooked meals, surplus shop food, clothing, bedding and the use of a shower and laundry. The second is to support them in their dealings with various agencies so that they can overcome their current unsatisfactory situations regarding housing, income, mental and physical health, drug and alcohol addiction. Salvation Army	Safe house located in Newcastle for up to 14 men at any one time. Survivors come to us suffering from extreme trauma, stress, torture, exploitation and exclusion through language, no access to public funds, housing, employment opportunities and lack of life skills. We aim to support all our survivors by building professional relationships, engagement and trust, self belief, motivation, soft skills. The first barrier we face is the lack of trust, so to combat this we look at things like, cooking, sport, TV and music in showing the guys that we care about them personally in who they are.	Installation of permanent outdoor gym equipment to support mental health and build a lean too to cover the equipment.	East	Jul-23
Sebby's Corner	Sebby's Corner believes no child should go without basic essentials. We supply items such as clothing, coats, shoes, toiletries and baby equipment to families living in poverty, victims of domestic abuse, asylum seekers, refugees and victims of human trafficking/modern slavery. Families in need are referred to us by professionals and we ensure that every family receives a different support package that is tailored to their needs. We also have a Christmas Grotto and Birthday Club so that every child receives a gift on these special occasions and School Uniform support scheme to help families with the cost of uniform.	New carpet, replacement front door and painting.	South	Jul-23
Sense Scotland	Sense Scotland is a Scottish charity and specialised social care provider supporting people with communication support needs associated with complex and sensory disabilities, and their families, where individual needs and choices come first. We provide a range of services including family advisory; early years support for children aged up to eight and their families; community living, day support for children and adults; arts programme; short breaks, healthy living support including a range of indoor and outdoor physical activities; welfare rights support; transition support; ASDAN awards and other activities and programmes to develop skills in learning, employment and life.	Replacing and painting the surrounding fence, gates and bin store.	North	Jul-23
Skylarks Charity	At Skylarks, our vision is a world where children with additional needs can thrive. We provide a supportive and active community. We care for the whole family, providing opportunities to join in, develop and feel empowered. Through various services and sessions such as creative play, yoga, cookery and many other activities, we create an environment where children feel included and confident. In addition, by providing networking and advice services for parents and carers, we aim to remove the isolation that can be created for families with children who have a disability or additional needs.	Creating new partition walls to create small groups and 121 spaces and improved ventilation.	South	Jul-23

Solent Youth Action	Solent Youth Action is a youth provision charity working with vulnerable young people (YP) aged 10-25 who are disabled, disadvantaged, disengaged, excluded, display challenging behaviour and have mental health issues. We reach out to isolated YP, supporting them to integrate with others, develop as individuals and progress. We aim to increase their confidence, self-esteem, positive emotional well-being, sense of responsibility, motivation and respect for each other and the community whilst raising their aspirations and providing opportunities to achieve. We run supported youth clubs, holiday schemes, volunteer projects, 121 mentoring and life skills interventions.	New windows, doors, insulation & electrical wiring.	West	Jul-23
South Kent Mind	South Kent Mind, established in 1988 to support people with mental health problems. We offer a range of long-term solutions and services to anyone with a MH problem or those in need of support in developing coping strategies to maintain good health and wellbeing. We provide informal, discreet, accessible support for vulnerable people suffering from mental and emotional distress and provide services that improve mental, physical and economic wellbeing. We work with people to assist them in coping with life, and we focus on dealing positively with depression, anxiety, stress, self-esteem, anger, assertiveness.	New kitchen	South	Jul-23
St Edmunds Society	We work with marginalised and vulnerable young people who often originate from families living in poverty. Our students are not "school-shaped", have limited academic ability and are on the periphery of exclusion, excluded, home schooled or gone through mainstream education without achieving any qualifications. Our objective is to offer vocational options where all young people between the ages of 14-19 are given the opportunity to study for trade-related, accredited qualifications in Construction, Catering and Hospitality, Health and Social Care, Mechanics and Hair and Beauty. Our holistic welfare approach helps them to overcome the barriers to learning.	Installation of sensor LED lighting .	East	Jul-23
Staying Put	Staying Put is a Domestic Abuse/Sexual Violence support charity. We manage four refuges and 12 other safe houses, deliver community support programmes, assist with court/criminal proceedings and help the victims of abuse, and their children, to recover their physical and mental health to enable them to move on from their experiences. Our objectives are to listen to the victims of abuse, act on what they tells us, and provide whatever support is needed to assist them to recover their health, wellbeing and dignity. Storm Family Centre	<p>STORM was founded in 2004 to help people in need of support; S.T.O.R.M is committed to addressing issues such as sexual violence/exploitation, domestic abuse, poverty, employment, and youth crime.</p> <p>Our charity has helped 3,000+ women and 1,000+ young people in varying projects; including - counselling, art therapy, English classes for refugees, Teacher Assistant courses, mentoring, IAG sessions & CV workshops to help with employability, childcare provision, food bank, and befriending group lunches.</p> <p>We have projects such as concerts and excursions for our young people – with the aim of helping them change their lives by leaving gangs, and/or anti-social behaviour.</p>	Refurbish the dining area with new flooring and painting.	South	Jul-23
Tendring Community Transport	<p>Tendring Community transport was established in response to a need for wheelchair accessible transport in 1993. We became independent as a charity 1999. The purpose of the organisation is to provide wheelchair accessible door to door transport services to people who are unable or find it difficult to access conventional transport, this may be due to age, disabilities or because there is little or no transport links in their area. The services we provide enable people to live independently for longer in their own homes, prevents loneliness, rural and social isolation.</p>	New ramp to improve wheelchair access	East	Jul-23
The Art Ministry	<p>We run seven two hour weekly art and craft session in our hall in Hadleigh, for children and adults with a variety of additional needs, such as learning and/or physical disabilities, mental health issues, and visual impairment. By involving vulnerable members of our local community in creative activities we help reduce social isolation, increase self esteem and boost self confidence leading to an improvement in mental health and wellbeing.</p>	New windows, LED batten lights heaters and new external doors	South	Jul-23
The Bridge Homelessness to Hope	<p>We offer support to people who are experiencing homelessness or who are at-risk of becoming homeless. This includes people who are rough sleeping and in temporary accommodation. Our day centre provides a safe, welcoming space where our guests (service users) can get access to a range of services including breakfast, hot drinks and a hot lunch, showers, and the opportunity to get support from our caseworkers, who are on hand to help them into accommodation, benefit referrals, reconnecting our guests to a GP or dentist, and accessing mental health and wellbeing support.</p>	New boiler	East	Jul-23

The Disability Foundation	<p>We were set up in 1998 to provide affordable complementary therapy services to any adult or child with any disability or chronic/complex medical condition, and to all those who are involved in their care e.g. doctors, nurses, family members, paid and unpaid carers.</p> <p>Our remit lies within the objectives of the 'NHS Long-Term Plan'.</p> <p>There is now wide-recognition that therapies such as massage and acupuncture, contribute positively to pain-relief and the management of chronic physical and mental health conditions, as well as assisting in the recovery of short-term injuries and over-all well-being.</p>	General painting and decoration	South	Jul-23
The Marie Trust	<p>The Marie Trust is a charity based in Glasgow which aims to prevent and alleviate homelessness and supports over 2000 people each year to find their way back into stable and safe accommodation by addressing the challenges of homelessness and the exclusionary barriers individuals face, as well as its associated health risks. We provide immediate crisis intervention, leading to long-term support, by helping people to thrive and live safer lives by providing access to specialised services and opportunities that give routes out of homelessness and prevent repeated rooflessness.</p>	Improving the soundproofing of counselling rooms and new flooring	North	Jul-23
The Martin Gallier Project	<p>We support anyone affected by suicide, including those bereaved by suicide, in the North West. Our aims:</p> <p>The preservation of health and the saving of lives, in particular in the North West of England, by providing and assisting in the provision of guidance, support and counselling for people who have considered or are considering suicide and for those bereaved by suicide.</p> <p>To advance the education of the public in relation to the early signs of suicidal behaviour and effective interventions by the provision of training and education, in particular, Applied Suicide Intervention Skills Training (ASIST).</p>	Improved energy efficient lighting & heating	North	Jul-23
The Port Grocery CIC	<p>We assist members of our community by collecting approx 12 tonnes of donated food from local suppliers, that would normally have been disposed of in landfill, and redistribute it to 600 families per week by means of home delivery. Most of these families have been severely impacted by the cost of living crisis and this means of support is of huge value to them. The project also preserves the environment by greatly reducing food sent to landfill and also preventing CO2e (Carbon Dioxide emissions) 1,385,862 Kgs per annum</p>	Replacement lighting will be LED	North	Jul-23
