

GRANT AWARDS 2022

Charity or Not For Profit Organisation Name	Organisation and Project Summary	Area
Macmillan Cancer Support	Charity Partner - Home Improvement Grants	National
Darlington and District Hospice Movement	<p>St Teresa's Hospice exists to help people in Darlington, South Durham and North Yorkshire who are suffering from life-limiting illness.</p> <p>The project is replace handrails in the woodland grounds of the hospice. Due to wear and tear the wooden handrail from the woodlands building to the garden needs to be replaced. Funding is required for a 5 metre long metal handrail that will be fixed to the wall.</p>	North
The Herefordshire MS Therapy Centre	<p>Hereford Therapy Centre is an independent self-funding charity, which exists to meet the varying individual, personal and therapeutic needs of people with MS and other debilitating conditions including cancer and Long Covid patients. Facilities include a large four-seat oxygen therapy chamber and a dedicated therapy room offering clients a range of therapies.</p> <p>The project is to lay a base foundation for a new wooded or metal shed for storage of some of their equipment. Works would also include laying patio slabs and installing a pathway.</p>	West
Ava Marie Foundation	<p>The Ava Marie Foundation is a newly formed UK charity working tirelessly providing memory boxes & support to those affected by miscarriage, stillbirth and the death of a child.</p> <p>This project is to allow the creation of 2 rooms so they can take care of deceased children aged 0-16 and a room where a family can stay to allow memories to be made in a safe relaxed atmosphere. The rooms will help to alleviate the decline of the families mental health by helping them to make as many memories in the final days as possible. Work includes new partitions, plasterboard, insulation to the cavity, installing door frames & accessories, skirting and architrave and to supply and a fit window.</p>	North
Headway Portsmouth & SE Hants	<p>Headway Portsmouth is a charity supporting adults who have acquired brain injury and their families/carers. They support the brain injured person in coming to terms with brain injury and reintegrating into their community through a wide range of programmes designed to enable independence, increase wellbeing, build new skills, re-learn old skills lost through the brain injury and improving personal choice.</p> <p>The project is to repaint and resurface the flooring of the main room where they hold their activities. It is an old track room but the paint is peeling away from the ceiling and walls and the carpet needs replacing as it is now uneven and a health and safety risk to their service users.</p>	West
Venus	<p>Venus offer support services to families to enable them to make the changes in their lives. They offer crisis intervention, along with longer term intensive specialist support and continued lower level support, if necessary, to ensure these changes are maintained. The Star Centre offers a wide range of support, wellbeing and therapeutic services for children, young people and families who have mental health difficulties.</p> <p>The project is to decorate the Star Centre and replace the carpet in one of the therapy rooms.</p>	North
Samaritans of Scarborough	<p>The Samaritans provides emotional support to anyone in crisis through their 24/7 crisis helpline as well as outreach in local communities. Their vision is that fewer people die by suicide. Samaritans of Scarborough is a branch that is completely run and led by volunteers.</p> <p>The project is to replace the boiler which has been condemned. The new boiler will make their branch more sustainable, reduce running costs and improve their hubfor the volunteers and service users.</p>	East

Charity or Not For Profit Organisation Name	Organisation and Project Summary	Area
Romsey Cancer Support Centre - Jane Scarth House	<p>Romsey Cancer Support is an independent cancer support centre that provides emotional support, help and information to cancer patients and their families from all over Hampshire. Their services are provided free of charge and include befriending and telephone support, counselling, relaxing complementary therapies, meditation, art for wellbeing, bereavement support and regular clinics for welfare and legal advice.</p> <p>The project is to replace two large windows at the centre to double glazed units which will improve warmth and comfort for their clients, volunteers and staff. Many of their clients are receiving long term cancer treatments which means that they are very sensitive to cold temperatures.</p>	West
Dorothy House	<p>Dorothy House is the only adult hospice caring for patients in Bath and North East Somerset, Mendip, and parts of Wiltshire.</p> <p>The project is to help their patients suffering from Dementia. Patients with dementia often struggle to make out shapes, especially if an item's colour is similar to its background, introducing colour to key equipment can help reduce confusion and anxiety and improve independence. The project is to replace the specialist rails in their toilets and bathrooms so they stand out and make them easier to see.</p>	West
Brighton & Hove LGBT Switchboard	<p>Switchboard is a charity that has been listening to, supporting and connecting lesbian, gay, bisexual, trans and queer (LGBTQ) communities since 1975. Their services include one to one support and groups in a range of areas from bereavement to dementia and from domestic abuse to disability.</p> <p>The project is to soundproof a room that is used by clients experiencing domestic abuse, suicidal thoughts, or other deeply private matters.</p>	South
ICARE DAY CENTRE TRUST LTD	<p>Icare Day Centre help people who have suffered a stroke and provide respite for their carers by offering a day care facility that people suffering from a stroke can attend, and meet and have fun with others in a similar position.</p> <p>The project is to install a fire alarm system, ramp for wheelchairs and a new fire door.</p>	South
Coventry Rape and Sexual Abuse Centre	<p>Coventry Rape and Sexual Abuse Centre is a specialist sexual violence service that has been providing trauma informed support services in Coventry for almost 40 years.</p> <p>The project is to fix their disabled toilet in the lower ground floor of the premises used by the charity. The current Sani Flow toilet floods regularly and requires a toilet installed that will connect to the main plumbing system.</p>	North
The Nightingale Cancer Support Centre	<p>The Nightingale Cancer Support Centre provides relief to adult patients who have been diagnosed as terminally ill with a defined condition or newly diagnosed as having cancer, by the provision of care services to patients and to carers and relatives.</p> <p>The project is to repair water damage to their building. Funding will be used to repair damage to the exterior of The Nightingale Cancer Support Centre's building (roof, window frames and guttering) and redecoration of internal areas affected by the water damage.</p>	South

Charity or Not For Profit Organisation Name	Organisation and Project Summary	Area
Ignite Life	<p>Ignite Life helps young people and their families overcome adversity. They focus on reliving the needs of disadvantaged and/or marginalised young people through support with wellbeing and mental health, family support, addressing & supporting with food poverty and educational support.</p> <p>The project is to improve their building to ensure this is accessible to all regardless of ability by upgrading the front door to their centre to comply with the latest DDA Disabled Access Door System regulations.</p>	West
Down Syndrome Cheshire	<p>Down Syndrome Cheshire uses early intervention and support to form the building blocks of achievement so that children and adults living with Down's syndrome in Cheshire can reach their full potential and live the life they choose.</p> <p>The project is to adapt the space at a new larger premises that the charity has moved into. Removing 2 walls and 2 doorways and redecoration.</p>	North
This is GrowTH Ltd	<p>GrowTH is a homeless charity based in Tower Hamlets, who run a Night Shelter as well as a housing project.</p> <p>The project is to renovate the supported flats used by homeless men and women and bring the flats up to a good standard by replacing the carpets in the 2 flats with laminate flooring.</p>	South
The Chaseley Trust	<p>The Chaseley Trust is an independent charity owned, 55-bed nursing home. They specialise in long-term nursing and respite care for people with complex disabilities, such as Acquired and Traumatic Brain Injury, stroke, spinal cord injury and degenerative neurological conditions such as Huntington's, Multiple Sclerosis, Motor Neurone and Parkinson's disease.</p> <p>The project is to convert their ground floor pantry into a therapy kitchen where residents can build up their independence, helping to prepare them for their return home. The kitchen will be adapted for use specifically by wheelchair users with limited mobility.</p>	South
Volunteer Centre Medway	<p>Medway Volunteer Centre actively helps volunteers find suitable volunteering opportunities in their community. They also help charities and organisations who are looking for volunteers.</p> <p>The project is in relation to a recently acquired Community Allotment in Gillingham Kent, which will enable the charity to give volunteering opportunities for people keen on gardening and to benefit people in the community who are living with health conditions such as Bipolar or Dementia or who may be in recovery from a Stroke or accident and are looking for ways to rebuild their lives. Funding is needed for a chemical toilet and new tool shed which is lockable for their valuable items.</p>	South
Via Wings	<p>Via Wings supports families and individuals 'from a crisis to full potential' whilst empowering them to tackle the underlying root causes of poverty and its effects – isolation, loneliness, brokenness and so much more. The families and individuals they support suffer from poverty which has been exacerbated by the problems they face such as mental health problems, addiction, domestic violence, loneliness, isolation, harm or abuse, trauma, profound and complex needs, ill health or bereavement.</p> <p>The project is to carry out minor repair work and improvements to their community buildings. Works include: roof & ceiling insulation, 2 x replacement PVC double glazed windows & 2 x replacement PVC doors.</p>	Northern Ireland

Charity or Not For Profit Organisation Name	Organisation and Project Summary	Area
GROW	<p>GROW offers medium to long term support to homeless vulnerable men with long standing complex needs. Their mission is to help people take control of their own lives, by offering the highest standards of support for housing, health, learning and work or any combination of these needs.</p> <p>The project is to help with the up keep of four of their accommodation based properties used by homeless people. The funding will allow GROW the opportunity to be proactive in maintaining a safe environment for their residents and will used to improve the fabric of their properties.</p>	South
Age UK Lambeth	<p>Age UK Lambeth is a local charity in South London, who help older people live the later years of their life to the fullest. They run a variety of services designed to help older people improve their physical and mental well-being, maintain their independence in an area that experiences a lot of inequality and to tackle loneliness.</p> <p>The project is to redecorate and configure their community space. The funding will be spent on removing a wall and electrics to create a more accessible reception area, new kitchen units, new flooring and decorating throughout.</p>	South
Autism Plus	<p>Autism Plus provides dedicated first line support, working to address individual needs for adults aged 18+ diagnosed with Autistic Spectrum Conditions (ASC), complex disabilities and neuro diverse conditions.</p> <p>The project is to make improvements within their Thorne House residential living home. The bathrooms in two of the apartments need adapting and renovating to make them safer, more accessible and enable the individuals living there to access them independently. The funding will be spent on: replacing the toilets, wash basins, installing reinforced grab rails & ant- slip flooring, painting & decorating and replacing carpets in high traffic areas.</p>	North
Making Space	<p>Making Space is a national charity that provides health and social care in the heart of local communities. They provide care and support that is flexible to the needs of the people that they work with. They work with people who have mental health conditions, dementia, learning disabilities and their carers.</p> <p>The Project is for a large summerhouse to be installed at one of their supported accommodations based in Manchester which is used by 10 people with mental health concerns.</p>	North
South East Fermanagh Foundation	<p>South East Fermanagh Foundation is an organisation that provides a holistic set of services in support of victims and survivors of the Northern Ireland Troubles. They provide services in health and wellbeing, advocacy and welfare across the United Kingdom.</p> <p>The project will help with improvements to the homes of 12 families/individuals across England that the charity supports. Painting of homes, refurbishing work spaces, installing shower rails and adaptive work to gardens.</p>	Northern Ireland
Wallace and Gromit's Children's Foundation (The Grand Appeal)	<p>The Grand Appeal is an independent charity raising funds to support sick children and their families at Bristol Children's Hospital.</p> <p>The project is to transform an outdated store/activity room into a fully functioning play room for children on the Caterpillar Ward at Bristol Children's Hospital. This project will reconfigure the space, installing a new kitchenette, constructing storage, and delivering a child-friendly makeover. The new lounge will radically improve the experience of young patients, providing a non-medical space for them to relax and play with other children or visiting siblings. Funding will be spent on the new kitchenette.</p>	West

Charity or Not For Profit Organisation Name	Organisation and Project Summary	Area
Wales Council for Deaf People	<p>Wales Council for Deaf People is a national organisation supporting people with all types of hearing loss.</p> <p>The project is to replace the carpet throughout the ground floor of the offices they operate from. The carpet is threadbare in places and could cause a hazard to their visitors as many of the Deaf and Hard of Hearing people who visit are either elderly, young children or have sight problems along with hearing loss.</p>	West
Scotland's Charity Air Ambulance	<p>Scotland's Charity Air Ambulance's mission is to save lives through the urgency and quality of their response to time-critical emergencies.</p> <p>The project is to refurbish the kitchen at their Perth base with new kitchen cabinets, worktops and flooring. In addition they will move the medical store to a larger area, and use that space as a dining area for the crew. Moving the medical store to a bigger area will also improve operational efficiency.</p>	North
Lighthouse Futures Trust	<p>Lighthouse Futures Trust is a registered charity based in Leeds. They work with young adults, aged 16-25, who have autism, learning difficulties or social, emotional or mental health support needs. They focus on helping them develop new skills and build their self-confidence so that they can move into paid employment.</p> <p>The project is in regards to the construction course they are looking to offer. An existing room will be refurbished into a lab with work benches, suitable flooring, access to water, appropriate shelving and lighting. When operational, this will be used by up to 80 young people each week and will make a significant difference in helping them develop a wider range of skills.</p>	North
Outreach	<p>Outreach's mission is: "to provide excellent care and support, which is person centred, for people who have a learning disability and/or a mental health need". Primarily serve disabled families in Whitefield, Prestwich, Bury and Salford and have developed a range of services including intensive support for people with challenging behaviours, dual diagnosis, autism, additional physical and sensory needs, and a supported living service for those who are more independent.</p> <p>The project is to install a fold away, rolling partition across the main space at their learning disability community centre in Radcliffe, Greater Manchester. The partition will increase the flexibility of the Hub and create two discrete areas for smaller groups, with a layer of soundproofing and privacy, so that concurrent activities can take place (e.g. counselling in one part & their active 'Five ways to wellbeing' group in the other).</p>	North
Autonomie	<p>Autonomie works with young people who have physical disabilities or mild to moderate learning disabilities and their families. They offer practical and emotional support to families with an holistic approach.</p> <p>The project is to remodel the main kitchen to include lower work surfaces to enable their young people to develop food preparation and cooking skills.</p>	Northern Ireland
NOAH Enterprise	<p>NOAH Enterprise works in Luton and Bedfordshire and supports individuals who are temporary or entrenched rough sleepers, are homeless, socially excluded, and who are falling into poverty.</p> <p>The project is for electrical repairs and lighting improvements at their Welfare Centre. As part of the rewiring work, they will also change the lighting from fluorescent strip lighting to LED lighting.</p>	South

Charity or Not For Profit Organisation Name	Organisation and Project Summary	Area

This would benefit 143 members, 50% of whom are wheelchair users and others with walking aids.</p>	South
Disability North	<p>Disability North is a user led regional charity promoting independence, inclusion and choice for disabled people throughout the North of England. They do this by the provision of advice and support on benefits, independent living and personalised health and social care.</p> <p>The project is to repair the heating and water system at the Dene Centre</p>	North
Whitby Hidden Impairment Support and Help+	<p>Whitby Hidden Impairments Support and Help, support families whose children have hidden impairments in Whitby. Hidden impairments refers to any condition which impacts daily living but is not visually apparent, such as autism, anxiety, epilepsy, and more. They run drop-in sessions where families can speak about the difficulties of hidden impairments and for children with communication difficulties, support sessions are run in their sensory room.</p> <p>The project is to adapt the toilet facilities in their recently acquired new premises to ensure these are suitable and meet accessibility needs. Works include the removal of current toilets, and the fitting of suitable flooring, wall panels and accessibility aids, call cords, widening of toilet doors to allow for access, (plumbing and electrical work) and the fitting off a new toilet and sink.</p>	North
Cosgrove Care	<p>Cosgrove Care helps children and adults with learning disabilities, autism and additional needs and their families. They exist to provide support to people with learning disabilities and additional needs to further education, skills development and to assist people to live safely and independently in the community.</p> <p>The project is to create an immersive sensory space at their delivery hub. The funding will be spent on painting and decorating the space, autism specific lighting and installing a fibreoptic carpet.</p>	North
Suffolk MS Therapy Centre t/a Suffolk Oxygen Therapy Centre Suffolk Oxygen Therapy Centre	<p>The Suffolk Oxygen Therapy Centre provides Hyperbaric Oxygen Therapy (HBOT) for people living with MS and other chronic conditions, including dementia, cancer, Long Covid, broken bones, Parkinson's and PTSD. They have three chambers which operate 4 days a week and can deliver up to 30 therapy sessions per day.</p> <p>The project is to renovate the buildings and chambers. All three chambers need new floors and painting. Works also include new valves in one of the chambers and the outside of the building needs to be repaired and repainted.</p>	East
Talbot House Support Centre	<p>Talbot House is a charity that provides support services for parents and unpaid carers of people with severe learning disabilities who live in the Manchester area. Their goal is to provide essential support and be an advocate for carers in getting the correct benefits, finding care services, help with form filling/letter writing, training for carers, along with the mental health and wellbeing support that many carers of learning disabled people desperately need.</p> <p>The project is to convert an unused kitchen area into a support office. Works include repairing a leak through the extractor fan unit in the ceiling, moving the kitchen facilities, electrical works, repositioning a doorway and fitting a new carpet.</p>	North

Charity or Not For Profit Organisation Name	Organisation and Project Summary	Area
Contact	<p>Contact Hostel is a charity based in Manchester that provides accommodation and support for vulnerable and homeless teenage girls aged 16 to 19 . Many of the girls they support have come from challenging circumstances including relationship breakdowns, domestic violence, oppressive family regimes, forced marriage, threatened abduction, physical and emotional abuse.</p> <p>The project is at the Contact Hostel which provides accommodation for up to 8 girls at one time. The large communal space is in need or repair and refurbishment. Works include re-plastering, decoration, new flooring and to improve the rooms access to electricity.</p>	North
Perth Autism Support SCIO	<p>Perth Autism Support SCIO supports autistic children and young people aged 18 and under, and their families, with support, advice, information and social opportunities. They are the only autism specific support for children and young people in Perth and Kinross and have 1,000+ individual young people registered for services.</p> <p>The project is to fund replacement cabinet doors in their kitchen and update and build a Youth Hub with designated zones for relaxing, socialising and learning (including decorating of this space).</p>	North
Home-Start South Leicestershire	<p>Home-Start Leicester work with disadvantaged families in the Harborough District, helping to prevent family breakdown caused by the multiple impact of factors such as mental illness, physical ill health and disabilities, domestic abuse, financial difficulties, poor housing, and unhealthy lifestyles which are all further compounded by the parental responsibilities, tasks and skills involved with bringing up children.</p> <p>The project is to improve their outdoor garden space. The funds will be spent on levelling and re-surfacing the patio area with safe child friendly play flooring, and building a covered area that provides shelter from the weather.</p>	East
Parasol Project CIO	<p>The Parasol Project was set up over 25 years ago by parents of disabled children and young people to fill a gap in provision with the aim of offering opportunities for inclusive play and social activities.</p> <p>The Project is to replace a path which is not fit for purpose and is currently not wheelchair friendly. Funds will be spent on the groundworks and towards the installation of the path.</p>	West
Headway Plymouth	<p>Headway Plymouth's primary objective is to provide support to survivors of traumatic brain injury, help them to come to terms with the changes in their lives and to learn to live as independently as possible.</p> <p>The project is to renovate Headway House. Funding will be spent on works for the electrical installation repairs, new extractor fan, refurbished disabled toilet, updating the fire detection system, and repairs to damaged walls and ceilings.</p>	West
Sheffield Women's Aid	<p>Sheffield Women's Aid support domestic abuse victims and their families. The aim of the charity is to support service users to make choices about their future, including helping them to recognise controlling behaviour and understanding the effect this has had on them, their children, friends and family and to prevent repeat victimisation.</p> <p>The project is to replace the 2 water heaters that have now reached the end of their life at their refuge site. Funding will contribute towards the costs of the new commercial water heaters, flue work required and the erection of scaffolding.</p>	North

Charity or Not For Profit Organisation Name	Organisation and Project Summary	Area
Sussex MS Centre	<p>The Sussex MS Therapy Centre aims to improve the mental and physical health, well-being and life chances for people living with Multiple Sclerosis. Multiple Sclerosis is a chronic, progressive disease of the Central Nervous System that causes a wide range of disabilities depending on duration, disease pattern and level of aggression.</p> <p>The project is to upgrade the fire alarm system to provide call points adjacent to each exit from the building, smoke detection in all areas as well as replacing some fire doors, surrounds, door seals and other minor repairs to adhere to the latest fire regulations.</p>	South
ESCAPE Family Support	<p>ESCAPE's Family Team provides specialist provision for carers, kinship carers and families of substance users throughout Northumberland and supports family members bereaved by substance misuse.</p> <p>The project is to refurbish and redecorate the centre following water damage to the building.</p>	North
Ealing Anchor Foundation	<p>Ealing Anchor Foundation, formerly known as P.E.S.T.S. helps parents & carers of children with a disability, complex/additional needs aged 0-5yrs, living in Ealing to come together at a critical time when worries/concerns about their child's development is emerging. They offer: • Play/Support sessions, • Specialist multi-sensory activities/play equipment, • Information Training workshops & advice • Toy Library.</p> <p>The project is to build a log cabin shed to hold the charity's toy library essential equipment, music therapy items and soft play equipment.</p>	South
West Mercia Women's Aid	<p>West Mercia Women's Aid work with survivors of domestic abuse. They support according to their individual needs, personal history and experience. It is their mission to ensure their clients have the support and tools they need to thrive in a new environment after experiencing domestic abuse.</p> <p>The project is to repaint their refuges, each flat, shared kitchen, office and playroom need repainting.</p>	West
