

PRODUCT SAFETY NOTICE

DeWalt Cordless Double-Bevel Sliding Compound Mitre Saw

Black & Decker have identified that on certain models and production batches, the rear guard may break or detach during use and come into contact with the saw blade. If the rear guard contacts the saw blade, it may cause the guard to shatter with fragments being thrown from a rotating blade. This could result in fragments coming into contact with the tool operator or bystander and cause an injury.

The products affected are:

Product Code	Product Description	Barcode	Model
6168T	DeWalt Flexvolt Brushless Cordless Double-Bevel Sliding Compound Mitre Saw DHS780T2-GB 305MM	5035048666395	DHS780T2-GB
