

# PRODUCT SAFETY NOTICE

## ERBAUER TOOLBOX VACUUM ETBV18-LI

Following an internal review, we have found that this product has been advertised incorrectly as being suitable for use with L, M and H Class dust on Screwfix.com.

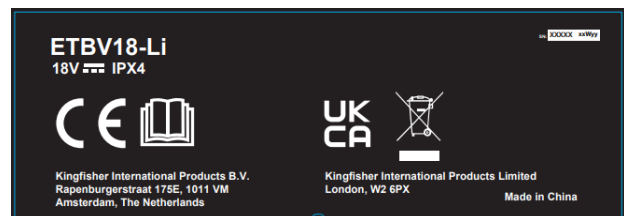

This model is NOT suitable for use with L, M and H Class dust and should be used as a Wet/Dry vacuum only.

**Please note: the information contained within the instruction manual provides the correct guidance for safe use of this product.**

The product affected is:

Product Code	Product Description	Barcode	Model
139VV	ERBAUER EXT TOOLBOX VAC - BARE	5059340253244	ETBV18-LI

This product was offered for sale between September 2022 and August 2023.

Product Rating label, found on the reverse of the product.

As per the instructions, please do not vacuum up any objects or materials which are toxic, dangerous, or any other substances hazardous to health.

Where this product no longer suits your needs, please contact us and we will arrange for a return and refund. This is not a product recall notice.

If you have purchased this product for a customer in the course of your own business, please contact them immediately and advise them of this notice.

Thank you in advance for your cooperation and we apologise for any inconvenience caused.
